The diagram illustrates the relationship between radiation concentration and processing time. It features three blue cloud-like shapes arranged horizontally. The first shape contains the text '放射性廢棄物' (radioactive waste) above '集中處理' (centralized treatment) below. The second shape contains the value '0.030'. The third shape contains the value '0.010'. Vertical lines connect the text in the first shape to the '0.030' and '0.010' values respectively.
