9 AM, October 18, 2022

Weather: Cloudy

Water temperature: 19.4°C

Diary of a Flounder

We had so many people come over with cameras and it was like a little party yesterday.

I feel delighted that we were introduced on TV or newspapers.

Well, today, it is back to usual quiet days.

It is getting cold outside, but is it comfy and relaxing underwater.

Maybe is it about time for meal?
