

<Marine Organism Rearing Log>

9 AM, January 24, 2023

Weather: Cloudy

Water temperature: 17.8°C

<Diary of flounders>

Flounder: Didn't we have a lady come over from the U.K. the other day?

Abalone: Oh! She is Catherine from an event/marketing company specializing in food and beverage!

Flounder: Well, I suppose that she surely has a strong connection with the food and beverage industry.

Abalone: We will be famous in worldwide!
