

<Marine Organism Rearing Log>

9 AM, February 16, 2023

Weather: Sunny

Water temperature: 17.6°C

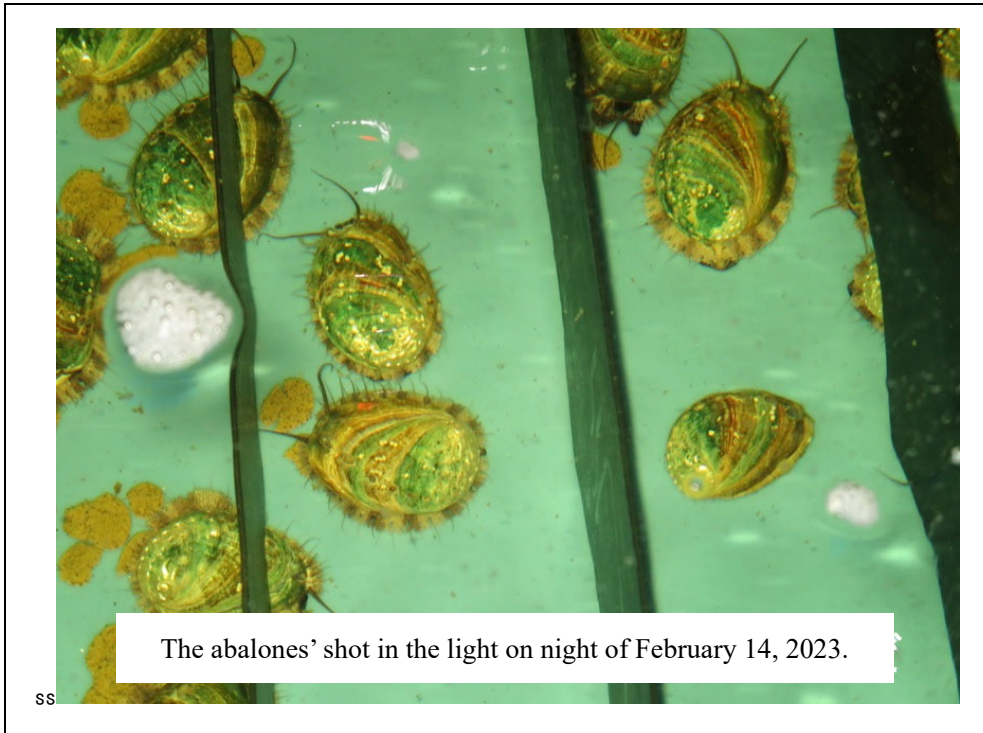

<Diary of the flounders>

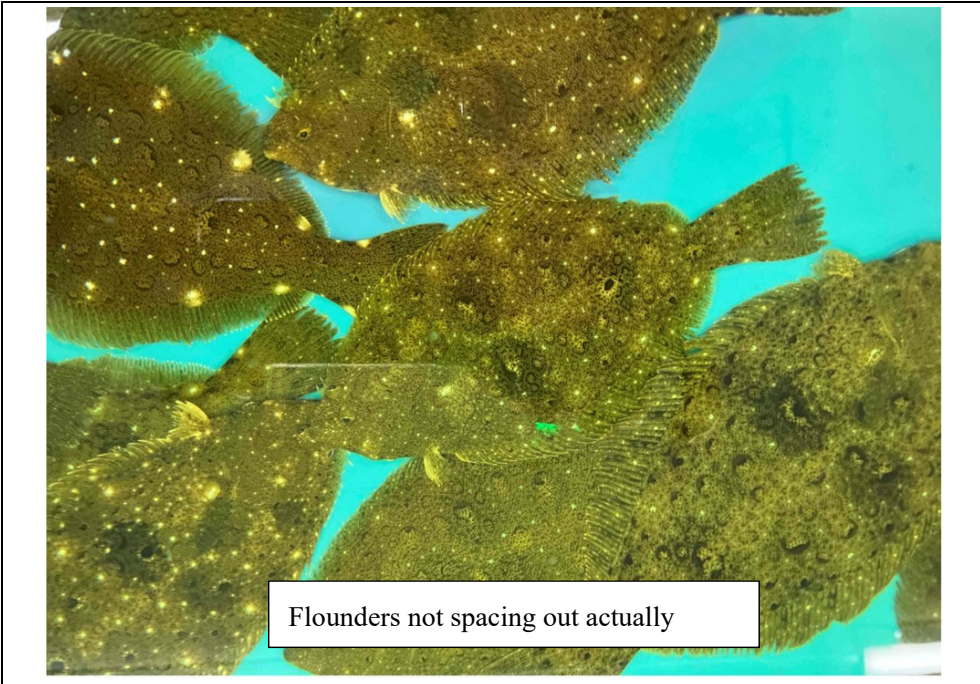

Abalone: We feel restless in night time.

Flounder: So are we! We are more active at night than during the day.

Abalone: Oh, really? You look still in the day and night!

Flounder: Watch us when we feed. We are not spacing out! We do what we've got to do!

Flounders not spacing out actually
