

<Marine Organism Rearing Log>

9 AM, May 2, 2023

Weather: Sunny

Water temperature: 18.3°C

Golden Week has arrived. Here in Futaba County, various events are being held, such as a workshop to make your original kite in Futaba Town, and street performances by buskers in Namie Town. I hope that you all will come here.

<Next report will be on May 8, 2023.>

The number of dead abalones and removed for research				
	No. of dead abalones		Removed for research
