

<Marine Organism Rearing Log>

9 AM, November 13, 2023

Weather: Sunny

Water temperature: 18.1°C

At Fukushima Daiichi, where we do a lot of outdoor work, safety comes first, and we are always watching for weather information that may have an impact. Last week, a tornado warning was issued following the passage of a cold front. As a result, all workers, including the keepers, relocated to a more robust building until the warning was lifted.
