

Approval of Changes to the Special Business Plan

March 17, 2025

Tokyo Electric Power Company Holdings, Inc.

Today, TEPCO and the Nuclear Damage Compensation and Decommissioning Facilitation Corporation received approval of an application submitted on March 7 of this year to the competent ministers (Prime Minister and the Minister of Economy, Trade and Industry) for approval of changes to the special business plan approved on April 26, 2024 in accordance with Article 46, paragraph (1) of the Nuclear Damage Compensation and Decommissioning Facilitation Corporation Act.

The TEPCO Group will continue to work as one as we engage in discontinuous management reforms with the aim of securing funds required for compensation and decommissioning, and improving corporate value so as to put the minds of the people of Fukushima and other victims of this disaster at ease and obtain the understanding of regional communities, such as the people of Niigata, our customers, and society as a whole.
