

**Prior Consent of Filter Vent Systems at the Kashiwazaki-Kariwa  
Nuclear Power Station**

December 23, 2025

Tokyo Electric Power Company Holdings, Inc.

Today, TEPCO received prior consent from Niigata Prefecture of filter vent systems at Kashiwazaki-Kariwa Nuclear Power Station Units 6 and 7 in accordance with the safety agreement.

We will continue to show through action and results our resolve to prioritize safety during the operation of the power station.
