

Approval of Changes to the Special Business Plan

January 26, 2026

Tokyo Electric Power Company Holdings, Inc.

On January 9, 2026, TEPCO and the Nuclear Damage Compensation and Decommissioning Facilitation Corporation submitted an application to the competent ministers (the Prime Minister and the Minister of Economy, Trade and Industry) for approval of changes to the special business plan in accordance with Article 46, paragraph (1) of the Nuclear Damage Compensation and Decommissioning Facilitation Corporation Act, and today we received approval of said plan (the Fifth Comprehensive Special Business Plan).

The TEPCO Group will continue to work as one as it engages in continuous reforms of its Fukushima and economic businesses, with the aim of securing the funds required for compensation and decommissioning and improving corporate value, to put the minds of the people of Fukushima and other victims at ease and obtain the understanding of our customers and society as a whole.
