

Location of Dust-sampling

List of Dust-sampling places

No.	Existing Sampling Place	No.	Additional Sampling place
1	North Side Slope of Unit 1	14	Opening of Unit 4 Reactor Building, (Large Equipment Hatch of Reactor Building)
2	West Side Slope of Unit 1 &Unit 2	15	Opening of Unit 1 Turbine Building (Large Equipment Hatch of Turbine Building)
3	West Side Slope of Unit 3 &Unit 4	16	Opening of Unit 2 Turbine Building (Large Equipment Hatch of Turbine Building)
4	Mountainside of Unit 1	17	Opening of Unit 3 Turbine Building (Large Equipment Hatch of Turbine Building)
5	Mountainside of Unit 2	18	Opening of Unit 4 Turbine Building (Large Equipment Hatch of Turbine Building)
6	Mountainside of Unit 3	19	Unit 1 Waste Treatment Facility Building (West side Opening)
7	Environment Monitoring Building	20	Unit 2 Waste Treatment Facility Building (West side Opening)
8	Water Treatment Building	21	Unit 4 Waste Treatment Facility Building (North-west side Opening)
9	Switching Yard of Unit 5 and Unit 6	22	Opening of Process Main Building (East Side Opening)
10	MP - 1	23	Opening of Incineration Workshop Building (South-west side Opening)
11	MP - 3	24	On-site Bunker Building (Large Equipment Hatch of On-site Bunker Building)
12	MP - 8	25	Opening of Miscellaneous Solid Waste Volume Reduction Treatment Building (North-east side opening)
13	Seaside of Unit 1-4	26	Process Main Building (Inside of Decontamination Facility)
		27	Exhaust Facility of Granular Solid Storage Tank (Exhaust Opening side)
