

## List of Documents on Response in Fukushima Daiich Nuclear Power Station and Fukushima Daini Nuclear Power Station

### Fukushima Daiichi Nuclear Power Station

First Response at the Earthquake in Fukushima Daiichi Nuclear Power Station

Main Timeline of Unit 1 of Fukushima Daiichi Nuclear Power Station from the Occurrence of the Earthquake to March 12 (Sat)\*

- Response regarding Alternative Water Injection for Unit 1 of Fukushima Daiichi Nuclear Power Station
- Response regarding Ventilation Operation for Primary Containment Vessel of Unit 1 of Fukushima Daiichi Nuclear Power Station\*

Main Timeline of Unit 2 of Fukushima Daiichi Nuclear Power Station from the Occurrence of the Earthquake to March 15 (Tue)\*

- Response regarding Alternative Water Injection for Unit 2 of Fukushima Daiichi Nuclear Power Station
- Response regarding Ventilation Operation for Primary Containment Vessel of Unit 2 of Fukushima Daiichi Nuclear Power Station

Main Timeline of Unit 3 of Fukushima Daiichi Nuclear Power Station from the Occurrence of the Earthquake to March 15 (Tue)\*

- Response regarding Alternative Water Injection for Unit 3 of Fukushima Daiichi Nuclear Power Station
- Response regarding Ventilation Operation for Primary Containment Vessel of Unit 3 of Fukushima Daiichi Nuclear Power Station

Main Timeline of Unit 4 of Fukushima Daiichi Nuclear Power Station from the Occurrence of the Earthquake to March 15 (Tue)\*

Main Timeline of Unit 5 of Fukushima Daiichi Nuclear Power Station from the Occurrence of the Earthquake to Cold Shutdown\*

Main Timeline of Unit 6 of Fukushima Daiichi Nuclear Power Station from the Occurrence of the Earthquake to Cold Shutdown\*

- Response until Cold Shutdown of reactors Unit 5/6 of Fukushima Daiichi Nuclear Power Station\*

## Fukushima Daini Nuclear Power Station

Main Timeline of Unit 1 of Fukushima Daini Nuclear Power Station from the Occurrence of the Earthquake to Cold Shutdown\*

Main Timeline of Unit 2 of Fukushima Daini Nuclear Power Station from the Occurrence of the Earthquake to Cold Shutdown\*

Main Timeline of Unit 3 of Fukushima Daini Nuclear Power Station from the Occurrence of the Earthquake to Cold Shutdown\*

Main Timeline of Unit 4 of Fukushima Daini Nuclear Power Station from the Occurrence of the Earthquake to Cold Shutdown\*

- Response until Cold Shutdown of reactors of Fukushima Daiichi Nuclear Power Station\*

Please refer “Operation track record concerning the accident of Fukushima Daiichi Nuclear Power Station and of the accident track record of the nuclear reactor facilities (announced on April 26, and May 16, 2011)” and “Operation of the plant based on the plant data etc. of Fukushima Daiichi Nuclear Power Station at the time of the earthquake (announced on May 24, 2011)” for records and plant data regarding Fukushima Daiichi Nuclear Power Station.

Also please refer “Plant data etc. of Fukushima Daini Nuclear Power Station at the time of the earthquake” which is announced today for records and plant data regarding the accident of Fukushima Daini Nuclear Power Plant.

\* newly announced today or partially revised
