

Partial Change of the Commissioned Work of an Executive Officer

April 30, 2014

Tokyo Electric Power Company

We would like to announce the following partial change of the commissioned work of an executive officer to be effective on June 26, 2014, after the 90th General Meeting of Shareholders. This is for transferring “Gas Business Dept.” which is currently set in the corporate division to the Customer Service Company.

Name		Management area	Commissioned work
Managing Executive Officers Shotaro Okawara	New	Corporate Communications Dept.	In charge of Inter-corporate Business
	Former	Corporate Communications Dept., Gas Business Dept.	In charge of Inter-corporate Business

* The changes of the directors and executive officers after the 90th General Meeting of Shareholders have been already announced on March 31, 2014.
